

QUARTERLY NEWSLETTER

Jul - Sep 2022 Edition

The Lexus Melbourne Cup Tour was a highlight this last quarter with the Lexus Melbourne Cup arriving in Warwick on Tuesday 13 September. The Club hosted an entertaining evening with our awesome local podcasters Scraping the Dulux – Jim & Tony and Tour Ambassador John Letts recalling some legendary stories of his racing history and what the Melbourne Cup means to the People.

As a host destination we were given the opportunity to choose a registered charity for the LMCT National Sweep Competition & on Melbourne Cup Day the National Jockeys Trust could win \$50,000 if our drawn horse finishes first.

Garry Adcock & John Letts

The Club lost our long serving Patron David Cory this year and at our Annual General Meeting the Club inducted Life Member Garry Adcock as the Club Patron.

Garry is honored to be our Patron and as a past President Garry had many conversations with David and acknowledged how much David was devoted to the Club's success and Garry will do his very best to carry out the role as David did in his time as Patron.
