QUARTERLY NEWSLETTER

Official Newsletter of the Warwick Turf Club

Highlights of 2023

It's been a productive and busy year for the Warwick Turf Club, with 3 out of our 10 race meets transferred because of wet weather events. Our team of volunteers and staff have been put to task and created many great events for the public to attend - especially our 150th year celebrations by hosting our Long Lunch on the Track!

Our Track & Venue Manager Maurice has worked tirelessly to maintain our race track. The Club has received glowing remarks in this respect. Many jockeys and trainers are constantly returning to Warwick. The track has great grass coverage and with the funding allocated by Racing QLD is developing along nicely to deliver the number one racing surface in country QLD.

We have since installed the Semaphore Board and electronic timing which assists the Club in delivering the spectator with the information instantly. Its a great asset to the Club - thanks Racing QLD!

WINNERS - Wedding Industry Awards 2023

Thank you to our brides & grooms who voted Warwick Turf Club as the 2023 Winner of the Southern QLD Country Wedding Venue for Licensed Clubs. Cheers to Eric & Kristen who manage the events for the Club. The Club is currently in the process of enclosing the Kidszone Australia Trackside Pavilion with glass sliding doors and windows. The venue will be more comfortable all year round!
