WHY YOU SHOULD VOLUNTEER

The Management Team of the Warwick Turf Club invites all members and friends to join our Gallopers Club.

This is a volunteering role to assist the Club with various roles around Allman Park such as patching the track, set up/clean up for race days & functions and minor projects.

Below are some points on why volunteering is important -

- Volunteering is good for your health - mentally, emotionally and physically
- Volunteering helps you use your skills for a worthy cause
- Volunteering is a good way to meet people
- Volunteering helps you learn new skills

Contact Kristen on 0414 899 854 if interested, you will be added to the WhatsApp chat - all working bees will be listed on the App
